

NEWSFLASH

Welcome to the ENCR Newsflash - December 2022

This is the newsflash of the European Network of Cancer Registries, produced by the Joint Research Centre of the European Commission, hosting the ENCR Secretariat. The newsflash is issued 4-6 times a year, informing of the most recent developments and activities relevant for the European cancer registries.

NEWS

Publication in Frontiers in Oncology: ENCR Recommendations on recording and reporting urothelial tumors

A new publication was published in the journal Frontiers in Oncology by the members of the ENCR working group on recording and reporting urothelial tumours of the urinary tract.

Collaboration agreement ENCR - JRC

73 cancer registries belonging to the ENCR have signed the collaboration agreement (CA) with the Joint Research Centre of the European Commission (JRC). Other cancer registries may still access the CA by signing the document circulated in previous communications. Please contact the ENCR Secretariat should you need any clarification.

EVENTS

IACR 2023 Annual Scientific Conference, in conjunction with ENCR Scientific Meeting: SAVE THE DATE 14-16 Nov 2023

The next Scientific meeting of the ENCR will be organized together with the IACR 2023 Annual Scientific Conference, and will be hosted by the Andalusian School of Public Health in Granada, Spain. More information will be available soon.

Webinar on Coding Incidence Date and Basis of Diagnosis - presentation available

A webinar on the new ENCR recommendations (Basis of Diagnosis and Date of Incidence) occurred on 30 November 2022. Presentation is available.

RECOMMENDATIONS

Standard dataset - consultation

The ENCR working group on the standard dataset has completed its work and proposes a new recommendation that is now in the consultation phase to the registries. The ENCR Steering Committee invites its member registries to read the document and provide any comments until 13 January 2023.

New Working Group on Haematological malignancies - call for expression of interest

The ENCR Steering Committee is looking for expressions of interest from member registries to join a new Working Group on Haematological malignancies. If you are interested to contribute, please contact us JRC-ENCR@ec.europa.eu

New Working Group on CNS tumours - call for expression of interest

The ENCR Steering Committee is looking for expressions of interest from member registries to join a new Working Group on tumours of the central nervous system. If you are interested to contribute, please contact us JRC-ENCR@ec.europa.eu

Ask an expert

The Ask an Expert section is available on the ENCR website for those who wish to submit questions about difficult-to-code cancer cases. Questions submitted through a dedicated form will be answered by the appropriate expert. The most frequently asked questions about coding may be added in the future to a FAQ's list on the ENCR website.

[More](#)

eLearning

ENCR e-learning modules are accredited and aim to facilitate the training of cancer registrars in coding topography, morphology and cancer stage, implementing the relevant international classifications.
