

# NEWSFLASH

## Welcome to the ENCR Newsflash - September 2024

*This is the newsflash of the European Network of Cancer Registries. In this issue we highlight the six new e-Learning modules, the upcoming workshops "Communicating for Impact" and "Software and AI tools for CRs" and the Call for Expression of interest to the new working group on Non Melanoma Skin Cancers.*

### NEWS

#### Calls for funding under Horizon Europe Programme

Two calls for funding are open under Horizon Europe Programme that might be of interest for Cancer Registries or Cancer Institutes/centers and similar cancer bodies. Those calls will support the Cancer Mission work programme.

- [HORIZON-MISS-2024-CANCER-01-01](#): Use cases for the UNCAN.eu research data platform. Deadline: 18 September 2024
- [HORIZON-MISS-2024-CANCER-01-02](#): Support dialogue towards the development of national cancer data nodes. Deadline: 18 September 2024

#### Call for expression interest co-organisation ENCR Scientific Conference 2025

The ENCR invites expressions of interest from European cancer registries to co-organize the bi-annual ENCR Scientific Meeting in 2025, together with the Joint Research Centre of the European Commission. This prestigious event brings together cancer registries across Europe, providing a platform to share research findings, discuss registration issues, exchange best practices, and present epidemiological work based on cancer registry data.

## Final Report from the Joint Cancer Registry of the Federal States of East Germany

The Joint Cancer Registry (JCR) was founded in the 1950s and dissolved on 31 December 2022. It was a political decision to end the joint epidemiological registration and continue the cancer registration separately in the five federal States former belonging to the JCR: Berlin/Brandenburg, Mecklenburg-Western Pomerania, Saxony-Anhalt, Saxony, and Thüringen. The JCR has completed a comprehensive final report before its dissolution, which is now available to preview and download.

## New ENCR Working Group on Non Melanoma Skin Cancer - Call for expression of interest

A new ENCR working group is being established to address the challenges in Non Melanoma Skin Cancer. Experts wishing to participate are invited to [contact the ENCR Secretariat](#) to express interest until the end of October 2024.

### EVENTS

#### Workshop "Communicating for Impact", 25 September 2024, online

The 2-hour workshop will be an interactive online session, dedicated to ENCR registries. It will provide insights into tailoring messages, using appropriate channels, and reaching diverse audiences, use of social media, dealing with the press, and engaging with different audiences. The exact format and programme will be defined soon. Are you ready to amplify your impact?

### TOOLS

#### eLearning

New ENCR e-learning modules are available on:

- Breast cancer
- Colorectal cancer
- Hepatobiliary & pancreas
- Sarcoma
- Urothelial tumours of the urinary tract
- Diagnosis and treatment of cancer in the 21st century

The e-Learning modules aim to facilitate the training of cancer registrars in coding topography, morphology and cancer stage, implementing the relevant international classifications.
