

NEWSFLASH

Welcome to the ENCR Newsflash - March 2023

This is the newsflash of the European Network of Cancer Registries, produced by the Joint Research Centre of the European Commission, hosting the ENCR Secretariat. The newsflash is issued 4-6 times a year, informing of the most recent developments and activities relevant for the European cancer registries.

NEWS

ENCR Steering Committee - new Co-opted Member

Dr. Laetitia Daubisse-Marliac, Director of the Tarn cancer registry, France, has been co-opted as a Member of the ENCR Steering Committee in representation of Western Europe, following the resignation of Dr. Alain Monnereau.

Collaboration agreement ENCR - JRC

83 cancer registries belonging to the ENCR have signed the collaboration agreement (CA) with the Joint Research Centre of the European Commission (JRC). Other cancer registries may still access the CA by signing the document circulated in previous communications. Please contact the ENCR Secretariat should you need any clarification.

EVENTS

TOOLS

Ask an expert

The Ask an Expert section is available on the ENCR website for those who wish to submit questions about difficult-to-code cancer cases. Questions submitted through a dedicated form will be answered by the appropriate expert. The most frequently asked questions about coding may be added in the future to a FAQ's list on the ENCR website.

[More](#)

eLearning

ENCR e-learning modules are accredited and aim to facilitate the training of cancer registrars in coding topography, morphology and cancer stage, implementing the relevant international classifications.
